QUINTA DA DEVESA

20 YEAR WHITE TAWNY

ABOUT THE WINERY

Owned by the Fortunato family, Quinta da Devesa is a small 34 hectare winery in the Cima Corgo sub region of the Douro Valley. The winery has been dedicated to the production of Douro and Port wine since 1941. The vineyards range in elevation from 500 to 600 meters, part south-facing, with excellent sun exposure, and part north-facing where it receives cooler prevailing winds.

The vineyards are managed under a minimum intervention system known as "Integrated Production," focusing on prevention of pests and disease rather than spraying once infected. This way, the vineyards provide a healthy habitat for birds, reptiles and mammals, ensuring adequate biodiversity and a balanced, sustainable environment.

WINE MAKING NOTES

This 20 Year Old White Port is obtained from a selection of grape varieties recommended for the Douro region. The base wine is first made with a blend of white varieties grown in the Douro. During fermentation a neutral grape spirit is added to the wine, stopping fermentation early preserving the natural grape sugars. The wine is then aged in large oak casks in the cellars at Quinta da Devesa. The 20 year designation is a mark of quality.

Quinta da Devesa Port wines are produced exclusively from lots vinified and aged in the estate. Since 1941, vintages considered of superior quality by the family winemakers, were kept and stored in wooden barrels in the winery cellars.

TASTING NOTES

Clean, amber color, with a hint of copper. Complex bouquet, with rich notes of almonds and honey. The palate is soft and velvety with a long finish.

FOOD PAIRING

Enjoy after dinner on its own, alongside a cheese plate, or with light pastry dessert.

SERVING RECOMMENDATIONS

Serve at 10°C – 12°C (50-55°F). Ready to drink upon purchase. Enjoy within 2 months of opening, stored in the refrigerator.
